TABLE OF CONTENTS

Great Swamp Reformed Church, Milford Township. Baptisms,
1736-1819. W. H. Reed, Norristown.

Hilltown Union Church, Hilltown Township. Baptisms and Deaths,
1803-1877. Towamencin Chapter, D.A.R., 1962. Index.

GREAT SWAMP
REFORMED CHURCH,
MILFORD TOWNSHIP, BUCKS COUNTY, PA.

RECORDS OF
BAPTISMS AND DEATHS
1736 — 1819

Translated and copied by Dr. W. H. Reed,
Norristown, Penna.

NOTE: The GREAT SWAMP RECORD as kept by the early pastors, is difficult to translate. Much of the handwriting is of a running character, many letters are made imperfectly, and to a great extent phonetic. I have followed a literal translation as much as possible, this accounts for odd spelling and other imperfections.

NOTATION: See Lehigh County Great Swamp Reformed Congregation, Lower Milford Township.

1. The first part of the paper discusses the importance of maintaining accurate records of all transactions. This is essential for the proper management of the company's finances and for ensuring that all parties involved are kept up to date on the current status of the account.

2. The second part of the paper describes the various methods used to collect and analyze data. This includes the use of statistical techniques to identify trends and patterns in the data, as well as the use of computer programs to automate the data collection process.

3. The third part of the paper discusses the results of the data analysis. This includes a detailed description of the trends and patterns identified in the data, as well as a discussion of the implications of these findings for the company's future operations.

4. The fourth part of the paper discusses the conclusions drawn from the data analysis. This includes a summary of the key findings and a discussion of the implications of these findings for the company's future operations.

5. The fifth part of the paper discusses the recommendations made by the author. This includes a list of specific actions that should be taken to improve the company's financial management and to ensure that all parties involved are kept up to date on the current status of the account.

6. The sixth part of the paper discusses the limitations of the study. This includes a discussion of the potential biases in the data and the limitations of the statistical techniques used in the analysis.

7. The seventh part of the paper discusses the future research needs. This includes a list of specific areas that need to be further explored in order to improve the company's financial management and to ensure that all parties involved are kept up to date on the current status of the account.

8. The eighth part of the paper discusses the conclusions drawn from the study. This includes a summary of the key findings and a discussion of the implications of these findings for the company's future operations.

9. The ninth part of the paper discusses the recommendations made by the author. This includes a list of specific actions that should be taken to improve the company's financial management and to ensure that all parties involved are kept up to date on the current status of the account.

10. The tenth part of the paper discusses the limitations of the study. This includes a discussion of the potential biases in the data and the limitations of the statistical techniques used in the analysis.
